The 1967 Eagle is made in memory of these WHHS students who were fatally injured in an automobile accident early in the school year.

Foreword

Many things make up a high school. The students, faculty, special events, sports, and school clubs are all a part of high school life. They leave different memories to each person involved. We of the '67 Yearbook Staff have tried to preserve these memories. As you leaf through the following pages, we hope the experiences you've had during 1966-67 school year will be recreated.

WILMER-HUTCHINS CHAPTER

Dedication

Mr. Camp Crow has served on the faculty of Wilmer Hutchins High for 17 years. The quiet and dedicated way he does his work of teaching Industrial Arts is admired by all. As a person and teacher, he is well liked and respected. In wood shop, he not only teaches the students to build useful and beautiful objects but to build strong minds and character. To a friend and teacher of Wilmer-Hutchins, we gladly dedicate the "67" EAGLE.

Homecoming

1966 HOMECOMING QUEEN
Miss Becky Nash

The Homecoming of 1966 was one of the best Wilmer-Hutchins has ever had. The theme was the Roaring 20's and was carried out by the Seniors in a program that afternoon. Every class participated by decorating their room like the 1920's.

That night there was more to come. The crowning of homecoming queen is the most important feature in any homecoming game. This year's queen was Miss Becky Nash. Becky is also F.F.A. Sweetheart and has been a cheerleader for 2 years. Becky is very active in all school activities, and was very deserving of this honor.

Becky's court was made up of Sharon Atwell and Sharon Mayfield. Sharon Atwell has been a majorette for 2 years and is active in all activities. Sharon Mayfield has been a member of the drill team for 3 years and is also active in all school activities. As you can see, the student body did a good job of choosing the most deserving.

Everyone enjoyed the homecoming and it will surely be a night to remember for Becky and her court.

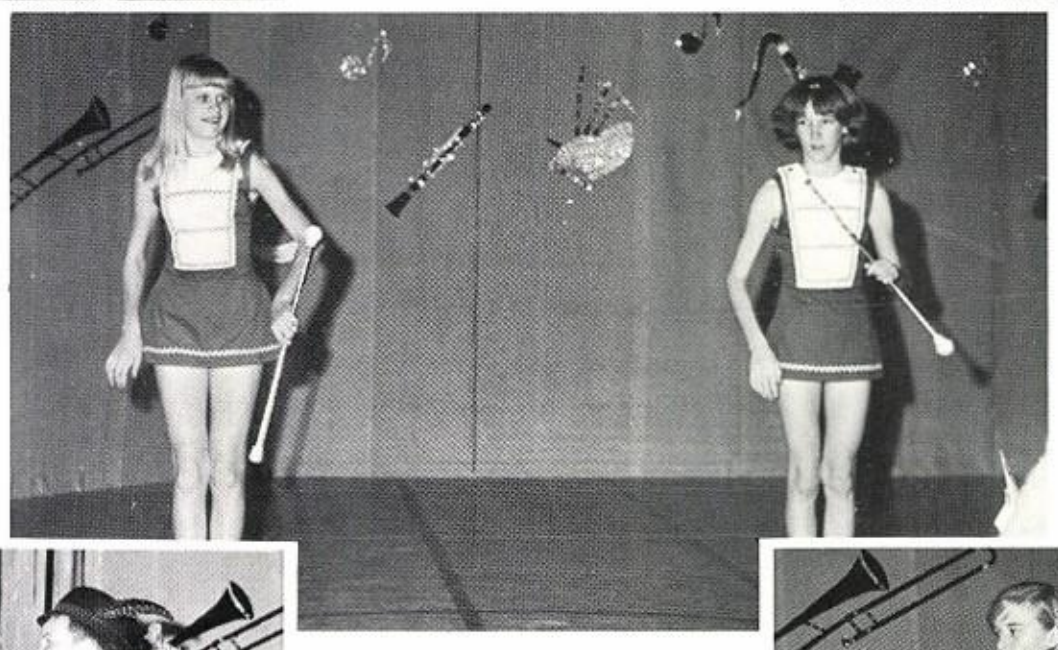
Dallas Area Talent Show

This year the senior class put on a Dallas area talent show. The show was a real success and we would like to thank all of the contestants who shared their talent with us. There were thirty-one acts all of which were excellent.

We would like to take this opportunity to thank Mrs. Arey and Mrs. Neeley and the seniors who helped to make this show a success. We would also like to thank the judges who had a hard choice to make.

Combos, Singers, Twirlers



First place and winner of a $50 check was Winsonia Ransom, from Curry Jr. High. She did a dramatic monologue from "Gone With the Wind."

Then came the announcement of the winner and the two runner ups.

We know the judges must have had a hard time in choosing the winners out of all of the acts, but they did a good job.

Charles Donaldson, a seven year old, won a trophy for reciting the poem, "If" by Rudyard Kipling.

Robert Branam and Larry Redmon won third place with their trumpet and drum act.

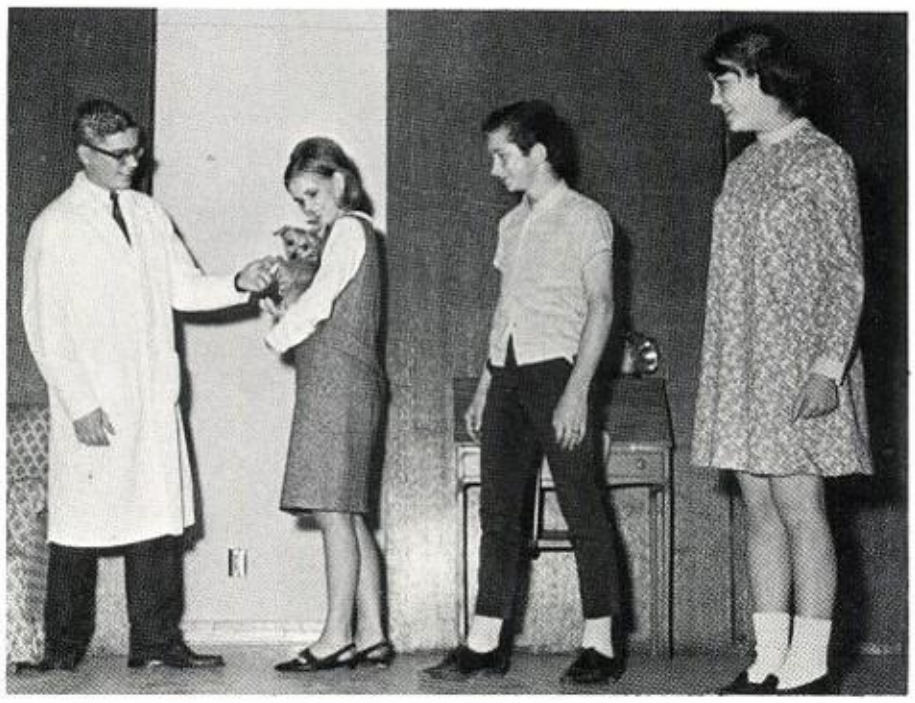
Junior Play

This year the Junior class presented the mystery comedy "The Skeleton Walks." The Play was put on for two nights and was a success each night. The cast would like to thank Miss Shaw for her time and talent in directing the play.



"How do you do sir? My what a well formed fore leg."

"You children had no business going into my workshop. I don't like that one bit."

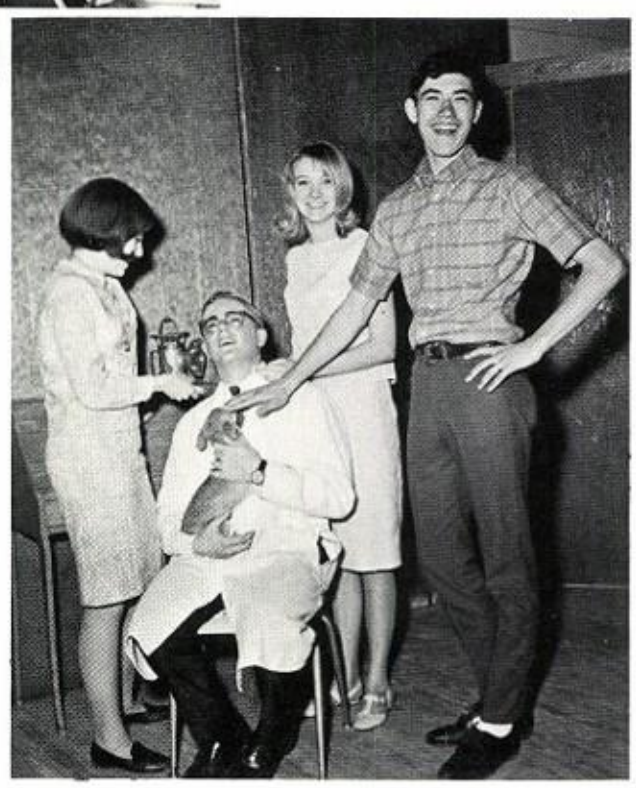
Ahhhhhhhhhh!!!!!

"Stop! Don't Mr. Ferzig, don't kill my poor son."

"Ahhh!!!! Don't put that mouse on me."

"Drop that knife."

"Elaine, Elaine,
what's the matter?"



The cast has a little fun before the play.

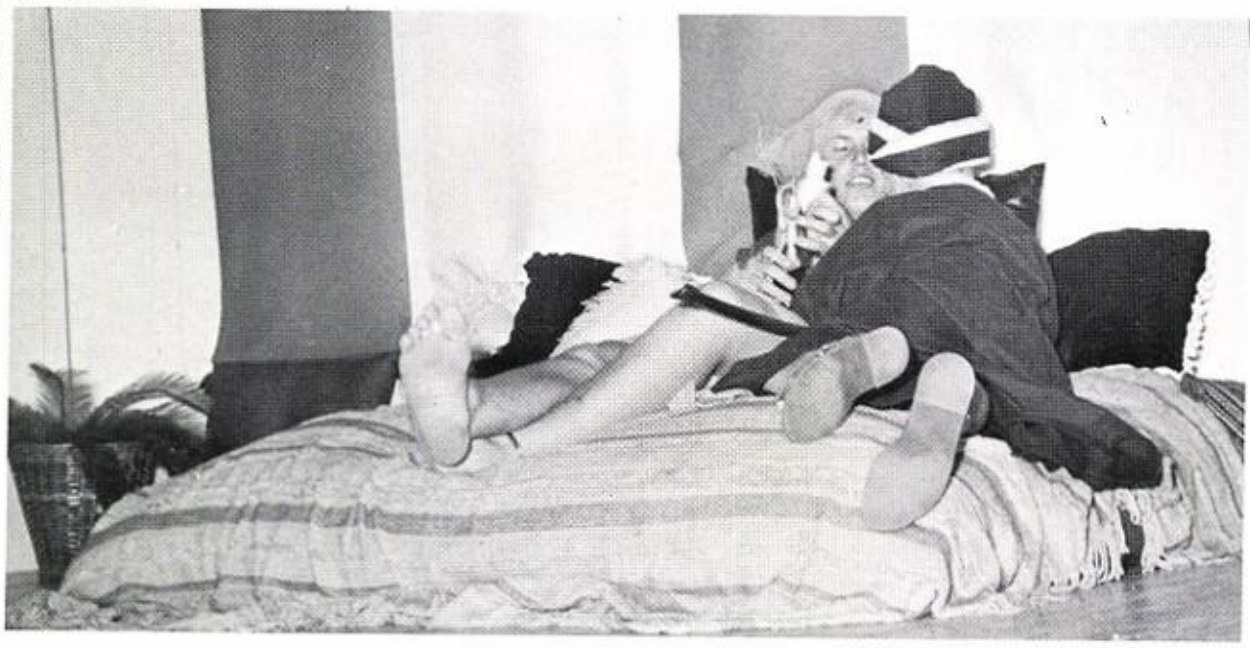
"I'm not Mrs. Hubbard, my name is Jack Dow."

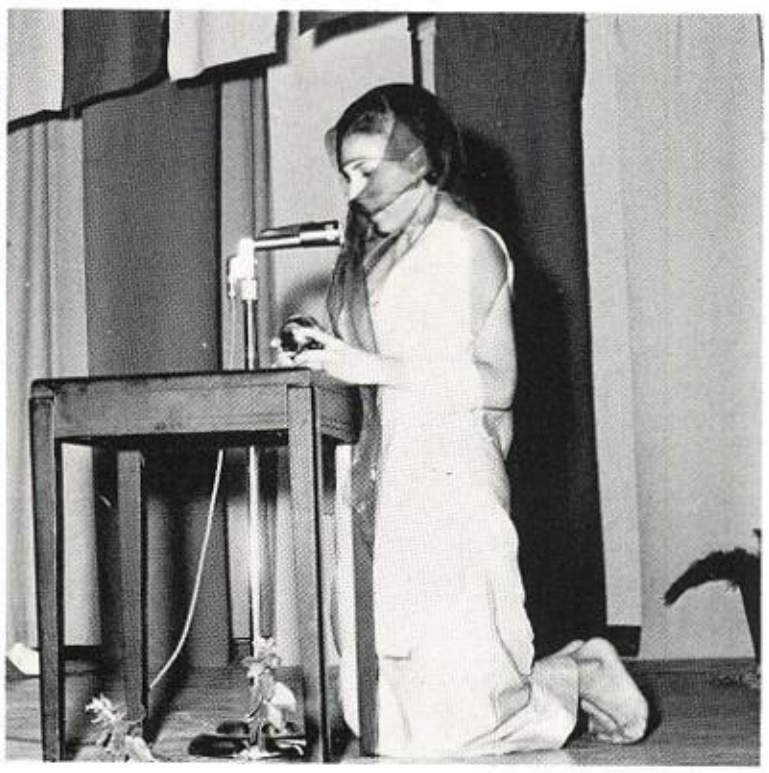
The junior sponsors are Mrs. Basnett, Mrs. Masters, and Mrs. Shaw

Arabian

The Junior-Senior Prom was held on Friday night, May 5, with a theme of "Arabian Nights."

Everyone enjoyed the good food and afterwards enjoyed the program. First Randy Mcnight played the part of Ahab the Arab with Freddie Lee as Patima. Then Sherry Fails looked into her crystal ball. We were then entertained with a sheik and his harem dancers. The final part of the program included Aladdin and Genie.





Nights

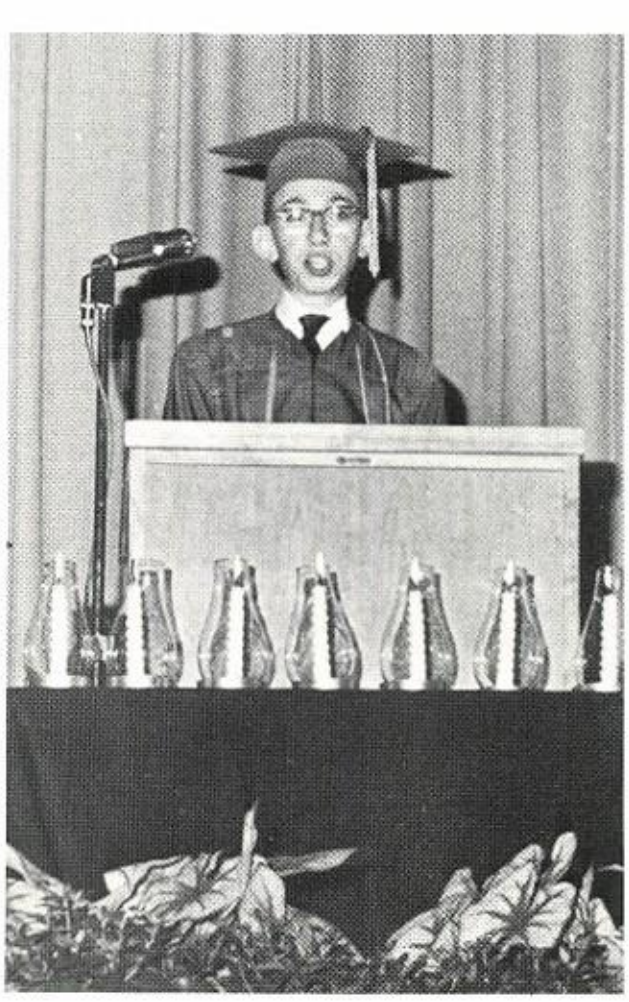
After the program, the Juniors and Seniors danced to a great combo, "The Crow". The dance was emceed by Caleen Andregg.

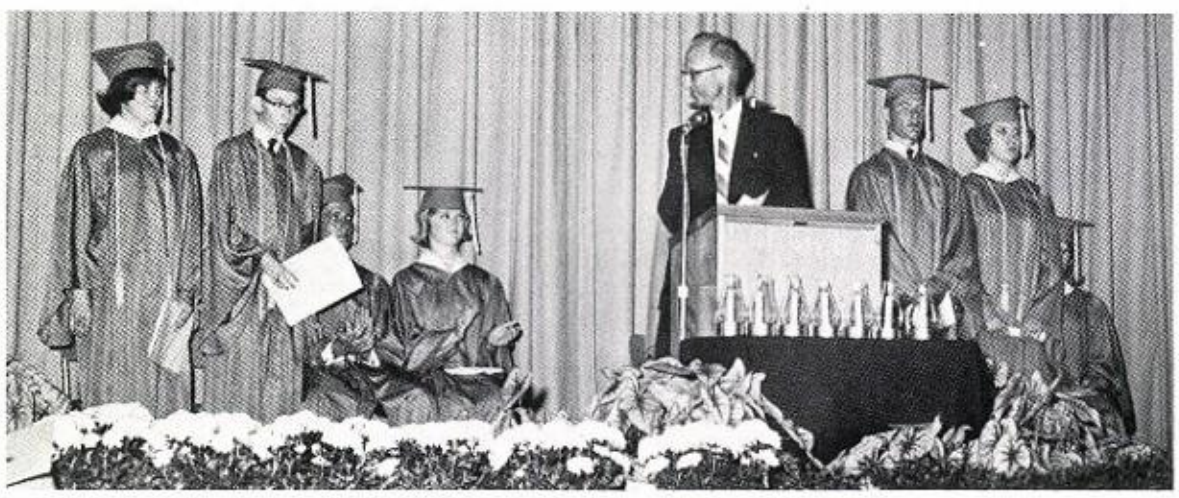
The prom was a great success and the Seniors would like to thank the Juniors for a great time.

Commencement

May 26, was a night of mixed emotions. It was an end of four great years, and some wonderful memories. For some it was the joy of not having to see any of the teachers again. For others it meant a new way of life. Still others had tears in their eyes as they realized that everyone would go their separate ways.

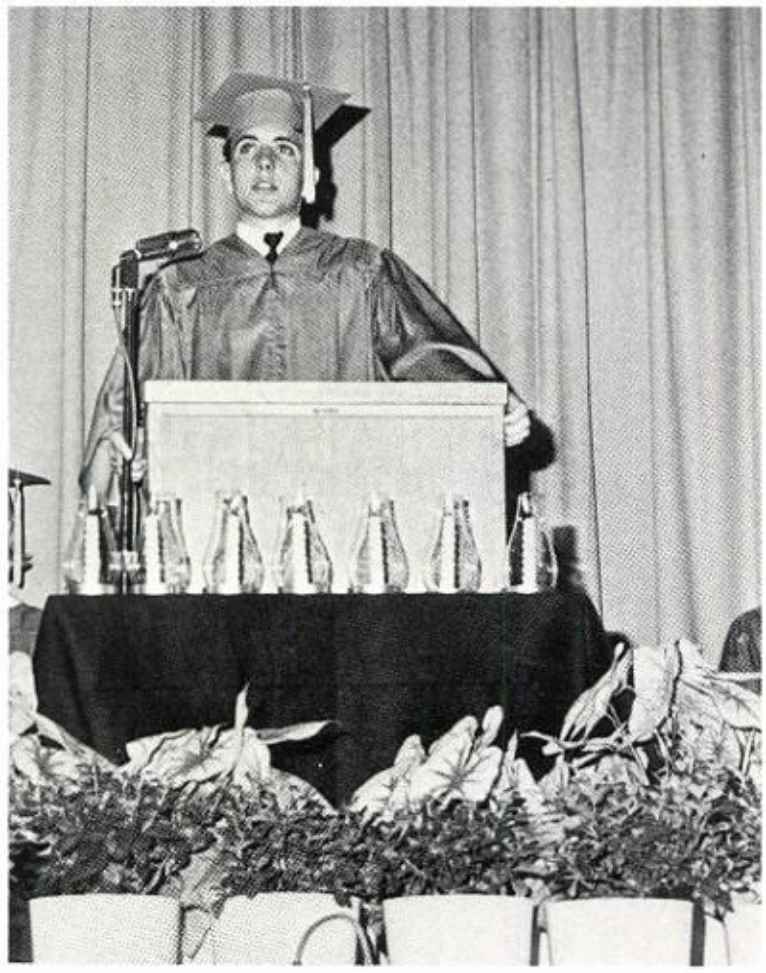
But everyone agreed that those four years will never be forgotten and that the spirit of '67 will live forever.

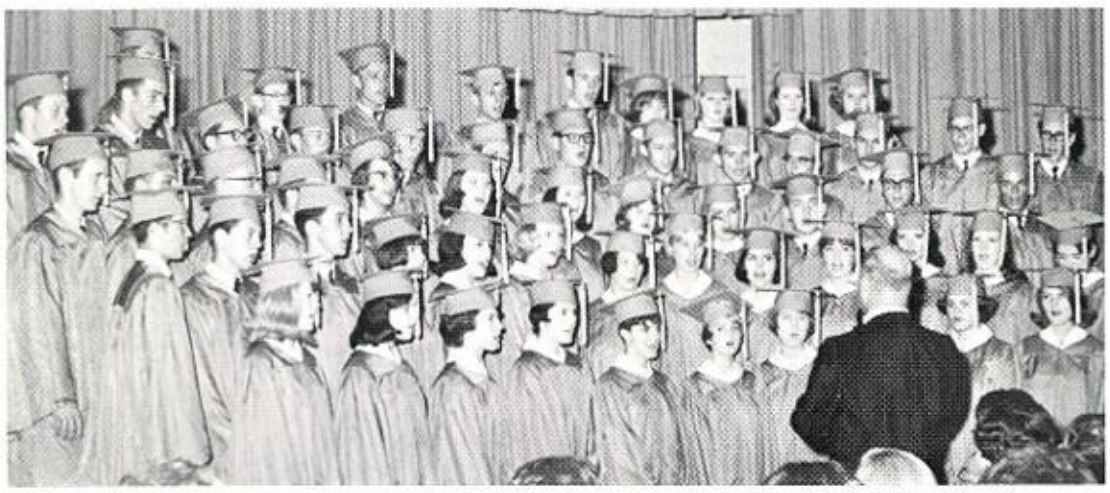




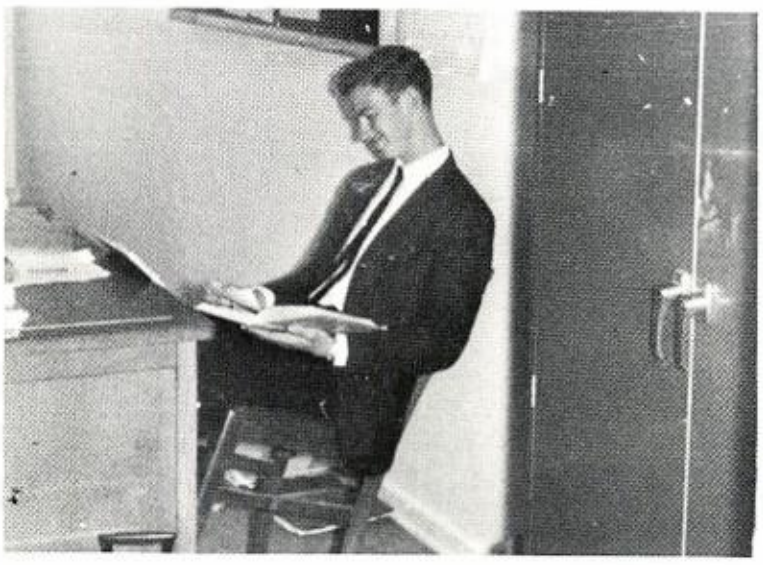
Tears and Laughter

This year the Senior class wanted to try something different. So they worked hard to have a different commencement The program was on the "Seven Lamps of Knowledge". After the speakers, the whole Senior class sang the "Battle Hymn of the Republic." The class would like to thank Mr. Patterson for his hard work, and his patience in listening to some of the seniors sing.

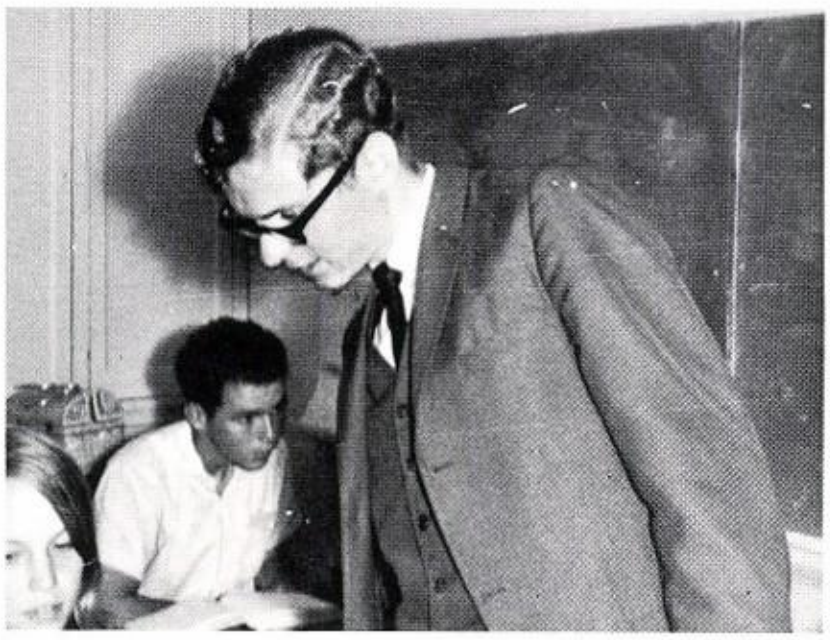




Senior Activities



Really Vick, is teaching Spanish that much fun??



Tim, do you know the answer??

Everyone enjoyed signing each others books at the Prom.

Sherry, smile, its not that bad, is it?

Most of the people couldn't sleep on the senior trip, but then others found ways.

Sharon, what do you think of David's costume for personality day???

The 1967 Eagles Varsity Baseball season was a very successful one even though they lost the District race to Plano High School. The Eagles displayed everything necessary to be a winner and could have easily won the District 11AA title had they not have had an "off" day against DeSoto, April 28, which saw them losing 2-1. The overall record for the season was 12 wins and 8 losses. The district record was 4 wins and 2 losses.
